Have Fun n' Get Wild with Watercolor

with Marsha Strong-Smith

"My goal is to prepare each student to reach beyond what they learn in class."

Professional Artist, Graphic Designer & Instructor, Marsha brings a unique style of teaching to her classes with the assistance of "The Great PIGMENTator." Having earned a degree from the California College of the Arts, Marsha is a professional artist and has worked as a graphic designer for many years.

Series 1 - Beginning Watercolor Techniques Class

7 Tuesdays • Jan. 5 - Feb. 16 • 10:00 am - 12:30 pm • \$140

- Learn basic skills and get started with watercolor
- Size watercolor paper without using staples or tape
- Discover how a few tubes of paint will make many colors
- Learn to select and master watercolor tools and materials
- Use the layering process to create shapes
- Understand the subtractive & additive approach to painting
- Create & control the "hard" & "soft" edges of your shapes

Series 2 - Beginning Watercolor Techniques Class (Continuing)

4 Tuesdays • Feb. 23, Mar. 2, 16, 23 • 10:00 am - 12:30 pm • \$80

(Series 1 - Beginning Watercolor Techniques class Recommended)

- Develop positive shapes with charged washes
- Build layers of positive & negative shapes
- Learn how to use additional brushes to create exciting textures
- Mix a limited number of colors to get a multitude of greens found in nature

*Understand that
so-called accidents
are merely opportunities
to dig deeper into the
creative well!*
